Symbolic Tree
Plantation
Ceremony.

Tree Plantation by Managing Director

Group Photograph on the occasion of Tree plantation

Trees are men's best friend. Human beings largely depend on trees. They provide oxygen, shelter, food. Moreover, their wood is used to build houses and furniture. Hence it is always advisable to plant trees. This year Our Tree Plantation Slogan (*Plant a Tree and Get Air for Free*)

05th
June'2013

**Symbolic Tree
Plantation
Ceremony.
Inauguration of
Free Tune up
Camps in
Karachi.**

- Tree plantation activity was held in Our Dealers Premises (Hino Frontiers & Hino Hawks bay) 06 trees were planted by dealers Chief Guest.
- Approximately 150 persons were provided awareness on during environmental issues, useful tips for vehicles maintenance to end user our Customers & Dealers.
- In the end, 50 Vehicles were tuned up country wide and many customers received awareness on importance of Environment conservation issues through these free tunes up camps.

Trees are men's best friend. Human beings largely depend on trees. They provide oxygen, shelter, food. Moreover, their wood is used to build houses and furniture. This message has been conveyed to Transportation drivers and also to customer. It's beneficial to our country as well as for our environment.

8th & 9th
July, 2013

**Employees’
Children Visit to
HPML**

The program was conducted in five -half days sessions on 5th, 10th, 11th & 12th July, 2012. Altogether 295 children (aged between 6 to 15 years) attended these mini summer camps. The following environmental related activities were conducted during these sessions;

1. Environmental Awareness presentation & videos.
2. Visit to the Wastewater Treatment Plant
3. Distribution of Environment Awareness Books to Children en

The program was conducted in five half days sessions on 1st, 3rd, 4th, 8th & 9th July, 2013 Altogether 295 children (aged between 6 to 15 years) attended these mini summer camps.

The main idea was to enhance their information on environmental conservation, types of Pollution, importance of tree plantation and concept of water pollution and treatment. Children learned about their roles and responsibilities in environmental conservation.

Thanks
